George Young (D-48)	10,337	\$ 923,123	7,159	\$ 129

¹ Assuming that all households that claimed the federal EITC also claim the state EITC, and that the percentage of total state EITC claims in each district is the same as 2015

²Institute on Taxation and Economic Policy estimates that 66% of EITC households lost some or all of the benefit of the state EITC due to non-refundability
